

Are you looking for practical, relevant, informative and interesting Professional Development for your staff on autism spectrum disorders?

You can join a cluster of schools together, or invite the broader community. Maximise your time with Sue by arranging a day around your school needs and include some private consultation time. Sue can visit classrooms and observe individual children, meetings with parents and community, and staff meetings.

Sue Larkey

International Author, Autism Spectrum Specialist, Teacher

Sue Larkey is unashamedly passionate about her mission - to inspire parents and educators and teach them how to Make it a Success. Sue is uniquely positioned within the education system having taught both as a primary school teacher and a special education teacher. She is a highly qualified educator who has taught students with autism spectrum disorder in the mainstream and special schools. She combines practical experience with extensive research having completed a Masters in Special Education and currently undertaking a Doctorate in Education.

Sue has authored 15 books on autism spectrum disorders. Sue believes that armed with the tools of understanding and confidence much can be achieved.

Winner of Naturally Autistic 2013 International Award for Community Contribution

NSW Institute of Teachers' endorsed provider of Institute Registered professional development for the maintenance of accreditation at Proficient Teacher/Professional Competence.
