

Coronavirus/COVID-19 is a new illness
affecting people worldwide.

We can't see corona virus so we
have to do things to keep safe.

We wash our hands to keep healthy,
you can sing a song or count to 30.

Sometimes we need to keep our
distance from other people to
stop the virus spreading.

You may see some people
wearing masks.

There also might be some changes
these are to keep us safe.

You may hear school is closing,
and we don't know when or how
long for.

You may also have a holiday cancelled

It is okay to be sad about these changes
but remember they are to keep us safe.

We are learning new information about
the virus and how to stay safe everyday.

You can ask your parents/carers
questions or tell them if you are worried.
