TOP TIPS

The Ultimate Guide to School and Home By Sue Larkey and Anna Tullemans

This book provides key strategies for all ages and stages. It offers over 500 practical strategies and timer savers for school and home from engaging disengaged students, what to do if you don't have a teacher assistant to considerations for setting up a classroom for teachers; and from developing friends, to moving house and choosing a school for families. It is the ultimate guide for teachers, parents and all professionals supporting neurodiverse children.
