

# Playtime Plan

What will I play?

Who will I play with?

Where will I play?

How will I play?

What rules do I need to remember?

# Solving Problems

## **STOP**

*Think about the problem*

## **THINK**

*What are the choices?*

*Choose the best one?*

## **DO IT**

*Try it!*

*How did it work?*

# I Can Solve Problems

STOP	THINK	DO
		
When someone annoys me		
When I lose a game		
When I do not have anyone to play with		
When the teacher says to ignore someone		
When I am not first in line		
When Mum says I can't play on computer

Over 150 of the most requested social stories that teach everyday social skills to children with autism or Asperger's Syndrome, and their peers. It also teaches you how to write Social Stories. Comes with a CD containing each Social Story in ready-to-print PDFs AND easy-to-edit Word files! With the CD, you can customise story content and insert images relevant to your child or student's individual experiences. An invaluable bonus!

### SOCIALLY SPEAKING

by Alison Schroeder | code: B27 | \$84.95

Socially Speaking will help you to introduce and practice skills your pupils need to develop and maintain relationships and to lead independent lives outside the school context. Socially Speaking is a unique social skills programme that lasts a whole school year and is divided into three units: let's communicate, let's be friends, and let's practice.

### SOCIALLY SPEAKING BOARD GAME

by Alison Schroeder | code: O05 | \$94.95

Designed to complement the Socially Speaking book, this fun game focuses on social interaction in three key areas: home, school, and the wider community. Children are able to practice vital skills such as greetings, turn-taking, eye contact, listening, compliments, emotions, telephoning others, showing interest in what others are saying, sitting appropriately and still, asking and answering questions, using your voice effectively, developing and maintaining friendships, and more. Contains game board, 100 question cards, playing pieces and teacher's notes for 2 to 6 players. Cards can be used for whole class activities.

### HOW TO STOP YOUR WORDS BUMPING INTO SOME-ONE ELSE'S and other really useful stories

by Anna Tullemans & Rhonda Dixon | code: B08 | \$29.95

This book has 18 great A4 clear pages with an excellent picture to explain so many of the common challenges students with ASD face in social and school situations. They include: Getting Someone's Attention, Starting a Conversation, Interrupting, Asking Someone to Play, What if a Person Says "No"?, Asking for Help, How loud or soft your voice should be, Waiting in Line, Waiting on the Mat and Waiting at your Desk.

### WHY DO I HAVE TO?

by Laurie Leventhal-Belfer | code: B46 | \$22.95

Looks at a set of everyday situations that provide challenges for children at home, with their friends, and at school. Empathises with children's wish to do things their way, explains clearly why their way does not work, and provides a list of practical suggestions for how to cope with these challenges and avoid feelings of frustration. This is the ideal book for children who have difficulty coping with the expectations of daily living, as well as for their parents and the professionals who work with them.

### WHAT DID YOU SAY? WHAT DO YOU MEAN?

by Jude Welton | code: B45 | \$33.95

Jude Welton looks at a hundred of the most common figures of speech in this visual workbook designed as a springboard for family and classroom discussions. Each figure of speech is accompanied by an illustration showing its literal meaning, which will help children with ASD recognise and learn to enjoy metaphors and figurative language.
